This is the FINAL VERSION of a PRIORITY IMPORTANT COMMUNITY AFFAIRS PRESENTATION – FOR THE PUBLIC INTERESTS TO

#StopMassShooting

#StopGangStalking

And to RETURN AND RESTORE MY CIVIL SOCIETY INTERPERSONAL RELATIONS TO BE ABLE TO DISCUSS THESE TOPICS WITHOUT UNJUSTIFIED RETALIATION FROM THESE PERSONS INTO BREAKING AND SEPARATING MY PROVIDERS OF SERVICES, INCLUDING DOCTOR CARE INTO RUIN!

I remain #HIVUNTREATABLE

I have not had a TRUSTWORTHY established DOCTOR/PATIENT Medical Care Provider In The Life Jeparody of Heath Care Treatment and Monitoring of my HIV Infection. Since March 2019,

This was when I attempted to discuss these matters that have been negatively affecting my life for more than 16 years. In June of 2005, I first registered the internet domain [[HTTP://fuckeduphuman.net](http://fuckeduphuman.net)] that was prompted by the received community chaos that I had noticed and been personally attacked and receiving from the Oakland California Community.

What I recognized in the registration of the internet domain @Fuckeduphuman.net was a MALADJUSTED CULTURE offset from EXPECTED normalcy. These are the behaviors, attitudes, and actions of recognized peer groups as being shifted in the LOCAL HIV COMMUNITY in Oakland, CA.

In March of 2019, One More attempt to bring a community into awareness failed with my LOCAL AIDS SERVICE ORGANIZATION and DOCTOR PROVIDER CARE. As a result, both Sources of Supportive Functions were UNGODLY and UNJUSTLY Terminated.

I remain in this condition with no HOPE that there "an begin" "TRUE GRIT" discussion on the rectification and resolution of my life to REBALANCE to my promised FUTURE CONTINUED LIFE --- I am dying.

I am dying from certain conditions that I know are happening in my body as my HIV infection has not been on HARTT treatment - No Doctor Available to Prescribe Medications Since April 2020, when my very last HIV DOCTOR suddenly died April 10th, 2020.

I am having an issue with my life foot -- I have INCLUDED these photos into this FAX -- someone from the community should somehow have a concern and care to give me some kind of sign that there are persons of respectful conscience among us is there?

Since the DOCTOR was Wrong to TERMINATE my PROVIDER CARE in March of 2019, I kept attempting to get the sanity of a community voice with no fruits to my efforts.

What ended up in a CIVIL COMPLAINT for HARASSMENT and a RESTRAINING ORDER being PLACED into COURT and RULED against me, the Doctor had NO JUSTIFICATION to have CLAIMED such violations from my efforts.

Doctor Eric Tomomi Shigeno

NPI 1619153970 Dr. Eric Tomomi Shigeno in Mission Viejo - Address, Medicare Status, and Contact

https://disqus.com/home/discussion/npino/npi_1619153970_dr_eric_tomomi_shigeno_in_mission_viejo_address_medicare_status_and_contact/

In the period after I was terminated from HIV DOCTOR CARE UNJUSTLY,

SEVERAL EVENTS OVER MONTHS

POLICE OFFICERS FROM THE SAN BERNARDINO POLICE DEPARTMENT and DEPUTIES FROM THE SAN BERNARDINO COUNTY SHERIFF'S DEPARTMENT CAME TO MY HOME RESIDENCE TO FOLLOW UP ON MY WEB WRITINGS AND FAXING ACTIVITIES.

TO WHICH THE CITIZEN HERE HAS NOT BEEN GIVEN - "LEGAL CAPACITY" of any kind of respectful dignity to hold LAW ENFORCEMENT into views to begin a reconciliation of these matters.

Before the Restraining Order and Harassment Case began, One of my conversations with the Police Authorities Visiting My Residence was that should there be a RESTRAINING ORDER AGAINST ME, I would violate such court directives. Therefore, this becomes very important to clarify here.

INDEED -- in the week and a half period before Dr. Shigeno'sni Shigeno's Death on April 10th, 2020, I did VIOLATE such CONTACT ORDERS. The official reason of the Doctor's Death was a STROKE -- He being ten years younger than me,

He died at the age of 44.

Unreasonably Young.

With all that I have become aware of the truth and the consequences that are involved in these conflicts,

The restraining order had just been violated by a right patient — while the Doctor remains challenged and wrong.

I suggest [only deductively reasoned here] that Doctor Eric Tomoni Shigeno did not pass away from complications after suffering a stroke but committed suicide because he was unwilling to acknowledge me as a patient dealing with what is now culturally known as being a TARGETED INDIVIDUAL of GANGSTALKING.

I DEMAND A HUMAN RESPONSE OF PUBLIC SERVICE TO THE TRUTH TO ENFORCE THE LAWS AND TO ACCEPT THESE CONSIDERATIONS THAT HAVE BEEN PLACED INTO RESEARCHED FINDINGS AND PUBLISHED TO THE NATIONAL INSTITUTES OF HEALTH [HTTP://nih.gov] SEARCHABLE UNDER THE SEARCH TERM [Gangstalking].

Background: **Gangstalking** is a novel persecutory belief system whereby those affected believe

they are being followed, stalked, and harassed by a large ...

Results: The gangstalking forum served as a discursive contest between 2 opposing worldviews. One is that gangstalking is a widespread, insidious, and centrally coordinated system of persecution employing community members, figures of authority, and state actors. This was the dominant discourse in the study corpus. The opposing view is a medicalized discourse supporting gangstalking as a mental disorder. Contributors used linguistic practices such as presupposition, nominalization, and specialized jargon to construct gangstalking as accurate and external to the individual affected. Although contributors generally rejected the notion that they were affected by mental disorder, in some instances, they did label others in the forum as impacted/affected by mental illness if accounts of their accounts were deemed to be too extreme or bizarre. In addition, those affected demonstrated a concern with accumulating evidence to prove their position to incredulous others.

Conclusions: The study found that contributors to the study corpus accomplished several tasks. First, they used linguistic practices to co-construct an internally coherent and systematized persecutory belief system. Second, they advanced a position that gangstalking is real and contested the medicalizing discourse that gangstalking is a form of mental disorder. Third, they supported one another by sharing similar experiences and providing encouragement and advice. Finally, they commiserated over the challenges of proving the existence of gangstalking.

This Presentation Media Is An Important Community Affairs Communication Needs An Opening Upon Federal Governmental Policy Pathways. A Discussion Must Move Upward & Forward [In All Honesty] To Bring An End To A Started Long Ago, Decades Actually, Hate Agenda #Conspiracy. Today, Remains Active And Provable In 2021... 2022.... ?

Filed In Court Statements of Declaration In Several Cases Upon The United States Supreme Court : [One Cited Here, Case No., 18-10134: October 05Th, 2018] Several Research Findings Published At National Institutes Of Health : [[Http://Nih.Gov](http://nih.gov)], April 06th, 2020 Forward Also Become Ever-Increasing Relevant.

**** Apparent To The Research Finding Evidence That Holds As Scientifically Proven Matters Of Grave Concern. ****

These Research Findings Are Prominent By Obvious Social Injustices Being Placed Into The Public Mainstream, Actions Being Placed Into Narratives Online. These narratives have been researched by models of information science to be conducted to the highest acceptable standards and respectful integrity. The research studies published have been conducted, and researchers have conclusions that are PROFOUND and PROMINENT that SHOWS the TRUTH PATH of the reporting accounts reflects very disturbing realism of an ACTUAL EXISTENCE of DESTRUCTIVE FORCES that are HAPPENING! The Research Concludes This and Dismisses To Disprove The Commonly Held Belief These Narratives Are From Persons Who Are Delusional and Paranoid. Persons Suffering From Mental Illness Needing Referral To Mental Health Treatment is untrue and discounted. Holding A Silence Here Remains Dysfunctional That Is Affecting Countless Untold Persons.

Those who are providing life condition narratives are most likely a small a minority of the full scope view of this problem. Those Not Given The View Of Life Harms Being Done Remain Untold That Are Not Placing Story Narratives Online. These persons Recoil To The Confusing and Isolated Background Shadows Of Despair. With Their Lives Being Ruined By Destruction So Severe, Not Able To Be Given "Legal Capacity" to find resolve. Causing a #HugeFail Collapse of Trust. This can indeed be IDENTIFIED. This collapse of trust is ONE GREAT FACTOR INVOLVED by these AFFECTED PERSONS to the DIGRESSION into beginning the pathway ENDGAME. These persons DECIDE to REACT in this DESPAIR. They become the "active shooters" of community mechanisms of mayhem. The side realism subsequently placed to accounted relative mentions in filed Documentation -- referenced in these presentations. They become involved in the plan and execution of mass murder -- to an attack to be the shooter of an #MassGunShooting, typically an act of dramatic suicide. The epidemic that has ALSO PLACED its GRIP HOLD onto this Nation.

Are you confused by that? I propose we unite and have a community affairs discussion for your clarity and understanding of the issues involved here.

A Multitude Of Individuals Within Our Citizenry Across The Entire Nation That is Being Subject To Negative And Intentional Mental Abuse By Actions Targeting Them That Happening In Two Worlds. The Visible Real Life And Hidden Cyber-Activities. The Activities Are Malicious To Any Reasoning Of Their Continued Ignorance And Silence By Governmental Agencies Of

Law Enforcement. Why Law Enforcement Remains A Void Of Silence And Inactive Role To Their Sworn Duty To Protect And Serve Must Be Considered. Continued Non-Responsive Resolves Must Take Us Ias A Collective Claims And Charges Made Into The Criminally Neglectful / Malfasance On The Side Of Law Enforcement Officers, and Legal Procedures On The Part Of All Levels To Enforce The Law And Pursue The Offenders Being Violated Here. The involvement Of Social irresponsibility Being Held In Bondage To Not Form Any Resolves. Conducted Against The Citizenry at All Levels Of Detached Service Of Established Law Enforcement . A Great Wrongdoing By #HugeFail by Governmental Oversight of a void to view the pearls of Wisdom and Common Senses being intentionally obscured from view. A hidden agenda and secretive motives maintaining allegiance to some [culturally observed] special interest needing to remain silent that is intentionally conducted against our commonwealth. This can be identified to be the prevalent cause and effect within AGNOLOGY of maintaining INTENTIONAL IGNORANCE at all levels of dishonorable conduct by law enforcement personnel in direct violations of United States Code Title 18, Section 241 and Section 242 Title 18 Section 241 - Conspiracy Against Rights Title 18 Section 242 - Deprivation Of Rights Under Color Of Law Can Be Proven To the Level of Beyond a Reasonable Doubt.In My History case The Legal Authority To Acknowledge FACTS over the AGNOTOLOGY Intentional Ignorance by Actors Within Federal, State, County, And Local Policing Must Change. The Justification And Reasoning Maintaining The BLOCK OF COMMUNITY VOICES DEMANDING REFORM, ACTION, AND CHANGE Within This Subject Is Intolerable To Continue And Unacceptable.

Those Who Engage To Violate The Civil Rights And Conduct Criminal Activities Against Our Citizens Must Be Placed Into An Investigation For Justice. Any Law Enforcement Officer Not Performing Their Sworn Duty To Protect And Serve Must Be Identified And If Warranted, Job Performance Reprimands Are Held Against Such Wrongdoing. Further, The Severity Of These Matters Warrant The State To Pursue Charges To Begin To Open The World Of This Criminal Underground To Seek Indictments For Remedy And Review. This Collectively Is The Only Responsible Remedy For These Concerns. To Engage A Trustable And Reliable Law Enforcement Policing Across Our Entire Nation, Holding Our Democracy Paramount To Principles Of Laws We Bound To Our Sustainable Future. Progressively, We Are A Nation Of Laws Here In The United States Of America. We Do Not Allow Haters And Violations To Our Foundation Of Commons. The Principles Of Social Good Violated - Proven to Be Real - Go On Forever With Impunity. We In This Country Do Not Allow The Haters To Win, Intentionally allowed to win!!!

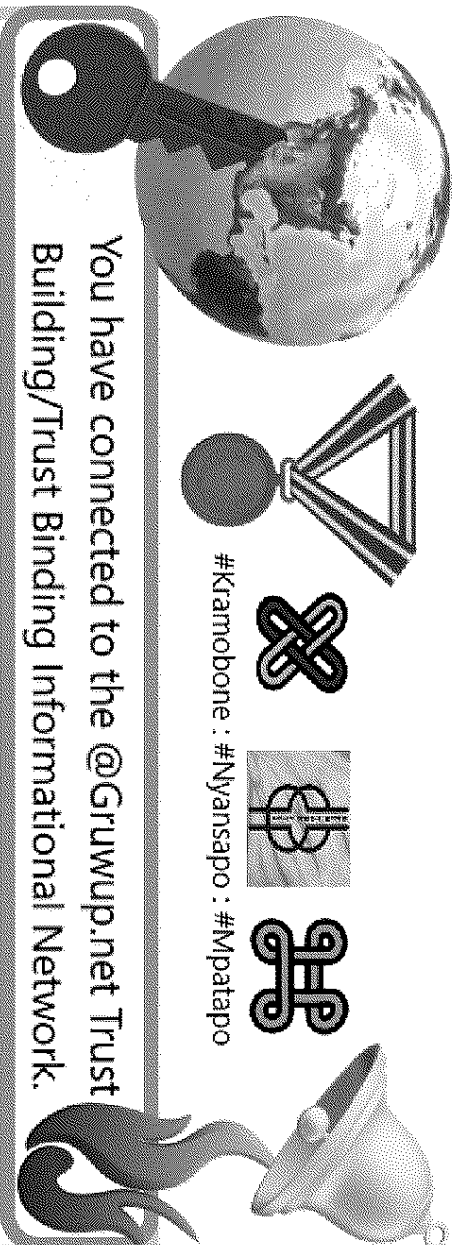

A Betrayal Of The Commons -- Our Commonwealth Must Be Placed Paramount and Prioritized. The Activities That Are Being Characterized By Online Story Narratives And Researched Are Criminal And Are Offenses And Violations Of Both State And Federal Laws. By Continuing To Ignore This Subject And Keep This Matter Taboo From An Active Community Involvement. Massive Harms And Injury Are Being Conducted And Perpetrated [Currently Occurring] Every Day. The Conditions Of These On-Going Activities Have Been Placed Against Persons And Ruined Lives For Decades. It Is Time For This Conspiracy To Be Held In Public View, Finally, Bearing Our Collective Social Responsibility To Community Acknowledged And Collectively

Community Terminated These On Going Criminal Involvement Activies Against Persons Who Identified as Targeted Individuals of Gangstalking.

In Presentation Address - A Huge Problem Working In Silence And Is An Under Pinning Cause Of #Massgunshootings.

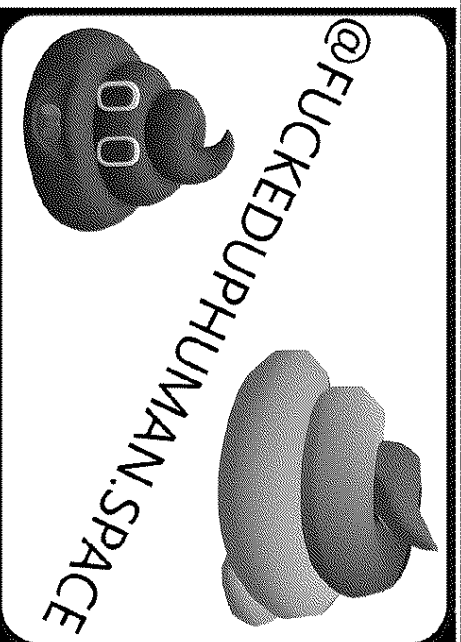

That is REASON ALONE to FIND THE DESIRE of LAW ENFORCEMENT to BECOME ACTIVE in Communications --- and Respond a Response of Responsibility Here In These Presented Public Community Affairs of Importance.

Note: The Artificial Intelligence Robot Above NOT RELATED to the Artificial Intelligence Story and Considerations Below.

The robot that knows when you're lying: Scientists create an AI that can detect deception with 73% accuracy by measuring subtle facial movements

Consideration of Thought: As Citizens Interact with Law Enforcement and Law Enforcement Interact with Citizens, As Citizens, It is UNLAWFUL [A Violation Of Law] to Intentionally DECEIVE a LAW ENFORCEMENT OFFICER; however, Law Enforcement Officers can LEGALLY Deceive Citizens: As Artificial Intelligence Continues to EVOLVE, an INSURMOUNTABLE conflict is going to happen when ENCOUNTERING Artificial Intelligence Machines On The Street - Beginning a COMPLETELY NEW Societal Relationship [both Public and Private], Where TRUTH and HONESTY does not hold the PRIME DIRECTIVE of TECHNOLOGY ADVANCEMENT GUIDELINES.

If Artificial Intelligence Machines are CREATED UNDER the CURRENT IMBALANCES, and such Artificial Intelligence Creations Represent AGENTS of LAW ENFORCEMENT, these UNGODLY Creations WILL BE LEGALLY ENABLED TO DECEIVE HUMANS!

In This Paradigm of Dishonesty, FURTHER EROSION OF TRUST Societal Wide Will Occur.

To Correct This Situation, WE MUST CREATE LAWS and ENACT THEM That MAKES IT UNLAWFUL for LAW ENFORCEMENT AGENTS of PUBLIC SERVICE to INTENTIONALLY DECEIVE CITIZENS In ANY AND ALL SITUATIONS while such Public [Law] Officers [Officials] are Performing their PUBLIC DUTY JOBS. [No Exceptions!], Then and ONLY THEN will it be POSSIBLE to ENACT LAWS that can be ENFORCED against The CREATORS of ARTIFICIAL INTELLIGENCE.

SUCH TECHNOLOGY ENABLED MACHINES MUST BE HELD TO A STANDARD THAT IS FORBIDDEN TO INTERACT WITH HUMANS
Of Actions/Activities that are malicious by intentionally being able to ENGAGE HUMANS with DECEPTION, LIES, and HIDDEN MOTIVE AGENDAS.
